

THE TWO MOST IMPORTANT THINGS A COACH CAN DO:

Pray

- Pray weekly for your leaders and their small groups
 - *Pray as specifically as possible. Use your monthly meeting to help structure your prayers.*

Support

- Have a monthly meeting with your leader and ask some of these questions in order to encourage your leader and hold them accountable
 - *How are you doing personally?*
 - *How are you doing with the Lord?*
 - *How are things in your group? With your co-leaders? With group members?*
 - *Is your group growing? Why do you think it is or isn't?*
 - *Do you have S.M.A.R.T. goals for your group? What specifically are you doing to meet those goals?*
 - *Are you praying for your group for an extended period of time on a regular basis?*
 - *Is your group doing regular outreaches?*
 - *What's ministry time like in your group?*
 - *Who are you raising up as a leader in your group? What kinds of things are you doing to raise that person/those people up?*
 - *Are there resources/training that you need?*
 - *How can I be praying for you?*
